Principal's Message

MEMORIES

"This memory brightens o'er the past,
As when the sun concealed
Behind some cloud that near us hangs,
Shines on a distant field."

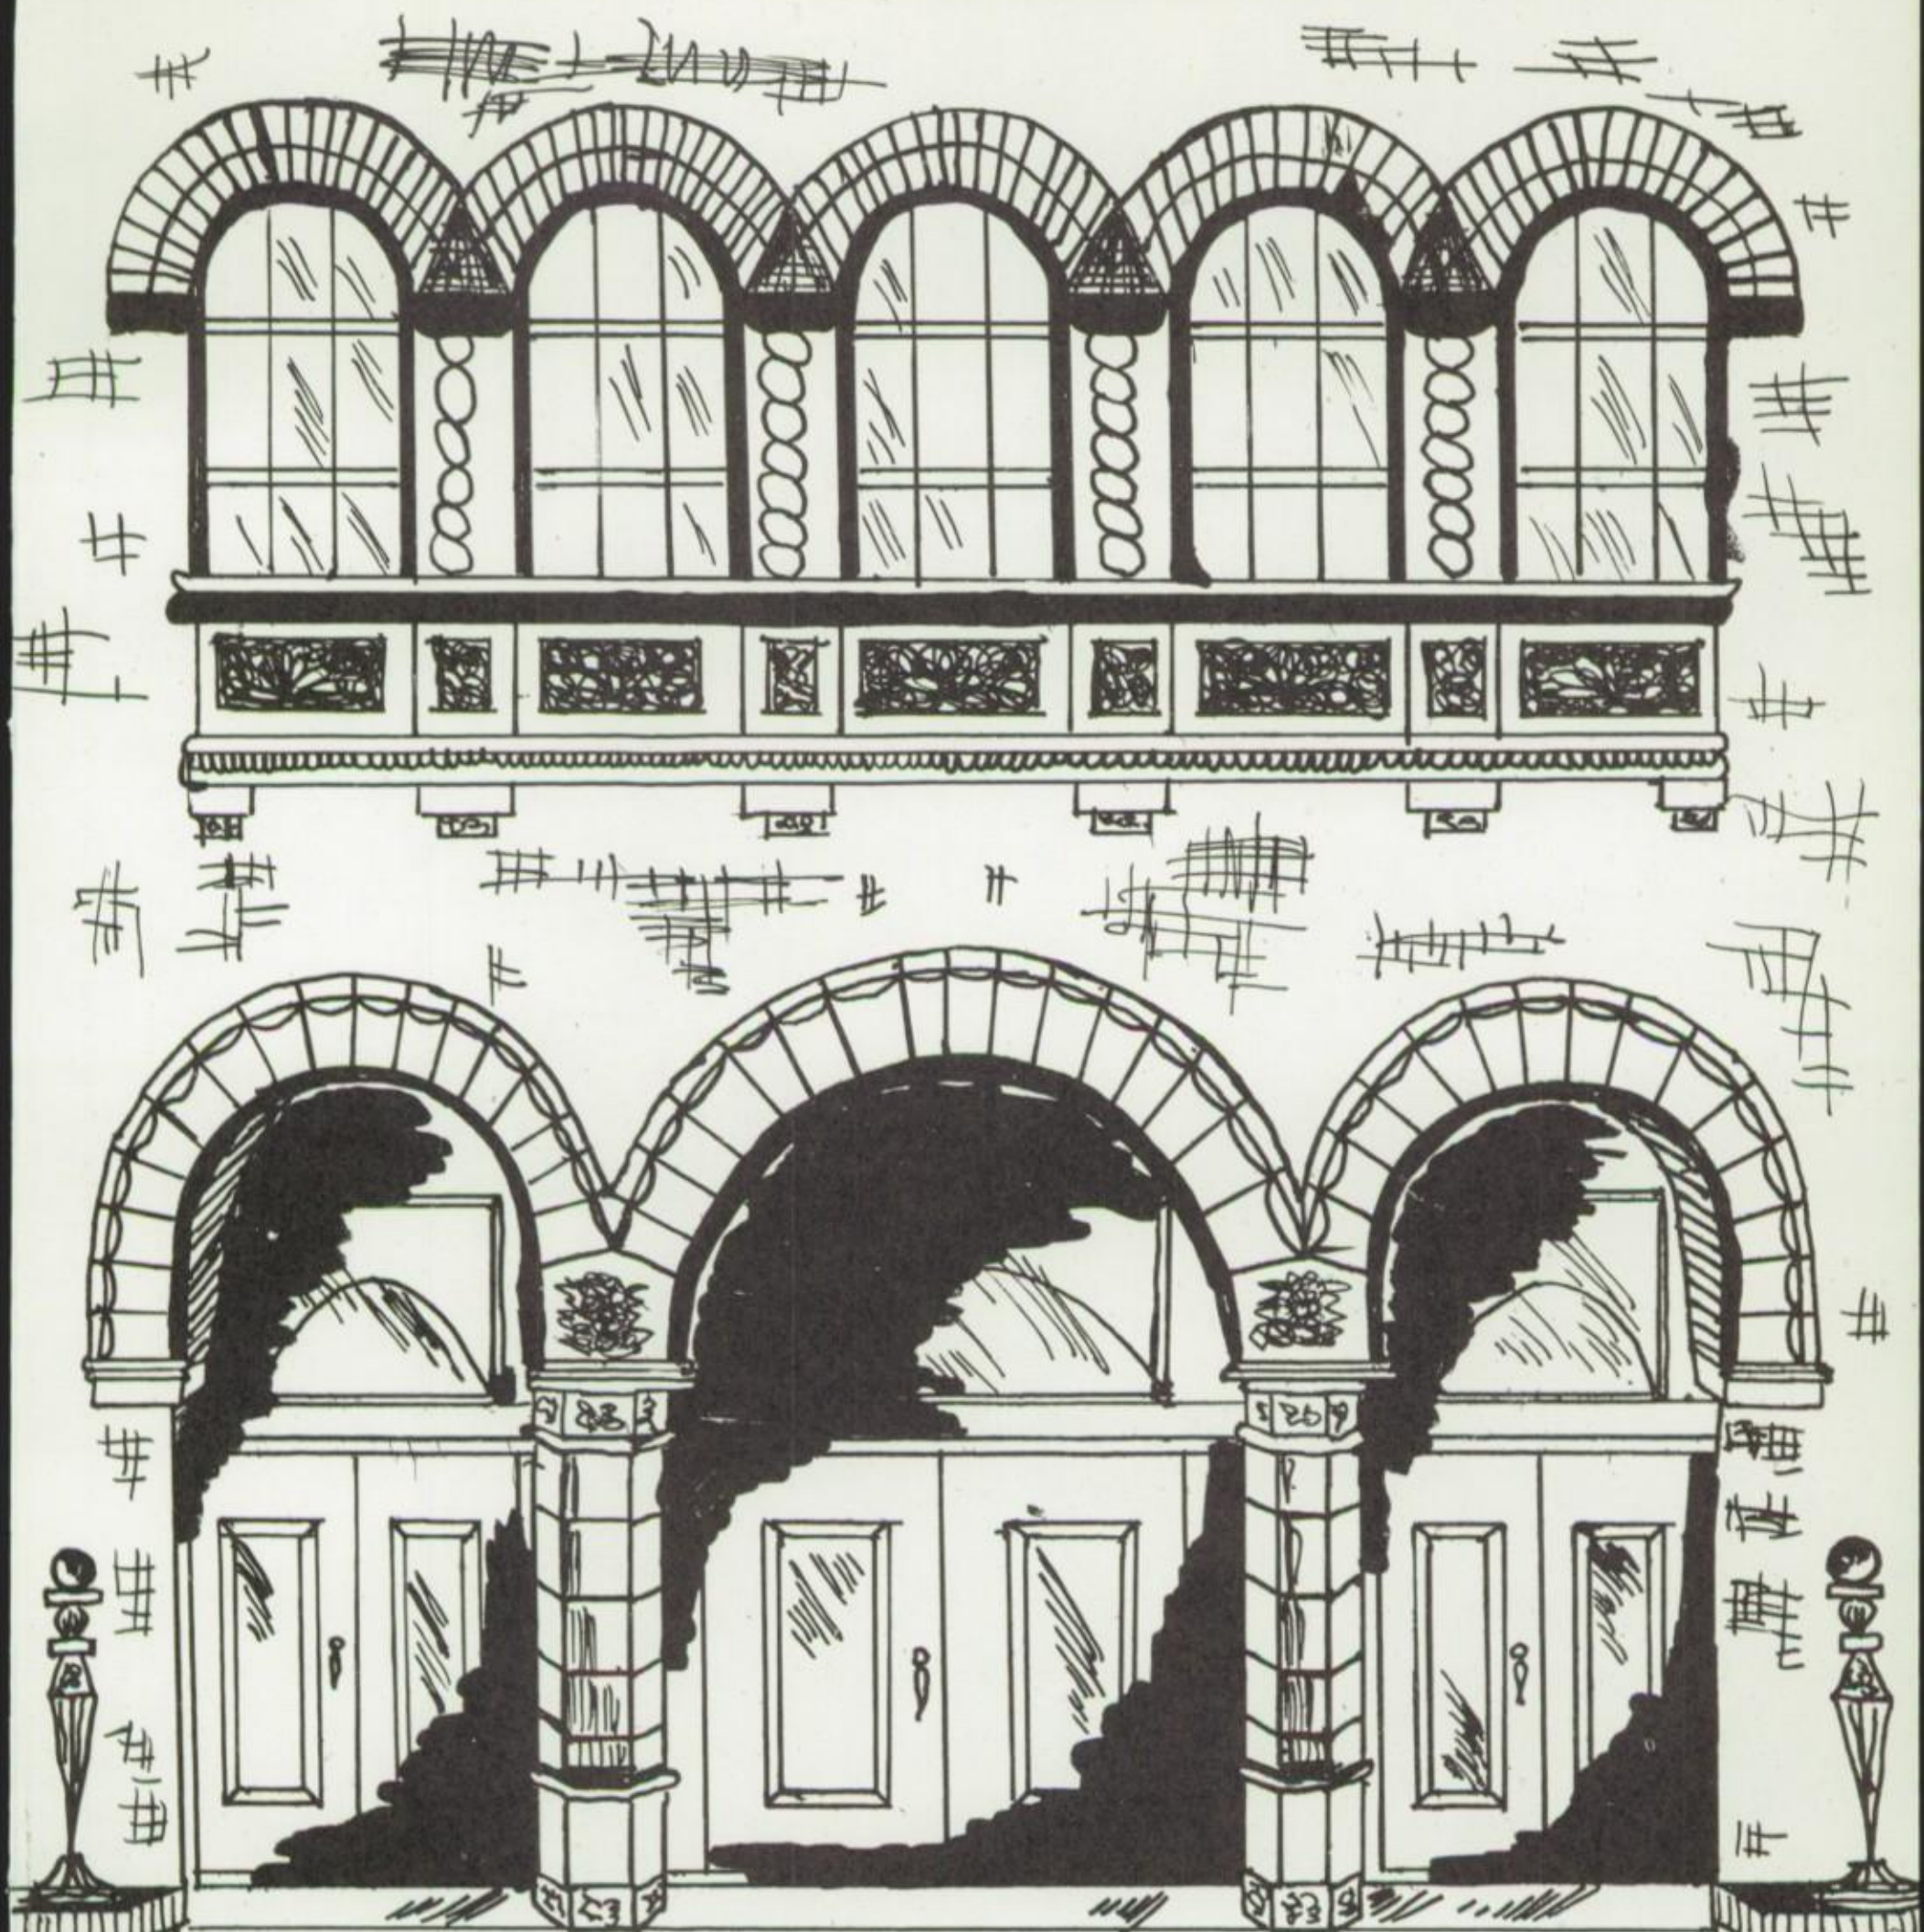

---Longfellow, A GLEAM OF SUNSHINE

During your High School career you observed the construction of nine building projects costing \$925,000, a 20% enrollment increase, and the completion of 50 years of service to youth at Turlock High School. You acquired many intangible values and satisfaction from increased knowledge and development of abilities.

It is my hope that your memories of Turlock High School will be for the most part memories of happy, shining hours. The man whose increase of contentment is most assured is the one who has discovered how to enjoy his past.

Learn to forgive yourself in sane charity. The things you did wrong, the failures and mistakes, consider them as part of the tutelage of destiny. What has happened to you has happened to all men. The question is, will you cull from it flowers or thorns?

If you face life with a courageous heart your memory will aid you, and bring you stores of happy incidents. As you balance debt and credit, I pray you will find a surplus of happiness.

Foreword

Time passes so quickly and - sadly - cannot be recalled. Before we realize it, our youthful days will pass from months to years and we shall find ourselves drawing slowly away from the friends and familiar surroundings to which we are accustomed now. As the years progress, our only recollection of these times will be preserved in our "Memories." Soon, as time passes, our memories will blur and fade until recollection will prove vague and incomplete. This is the purpose of the "Alert," to aid you in bringing your memory back to its past glory. We sincerely hope our book will keep your wonderful years at Turlock High School alive forever, enlightening your present and brightening your future.

DEDIC

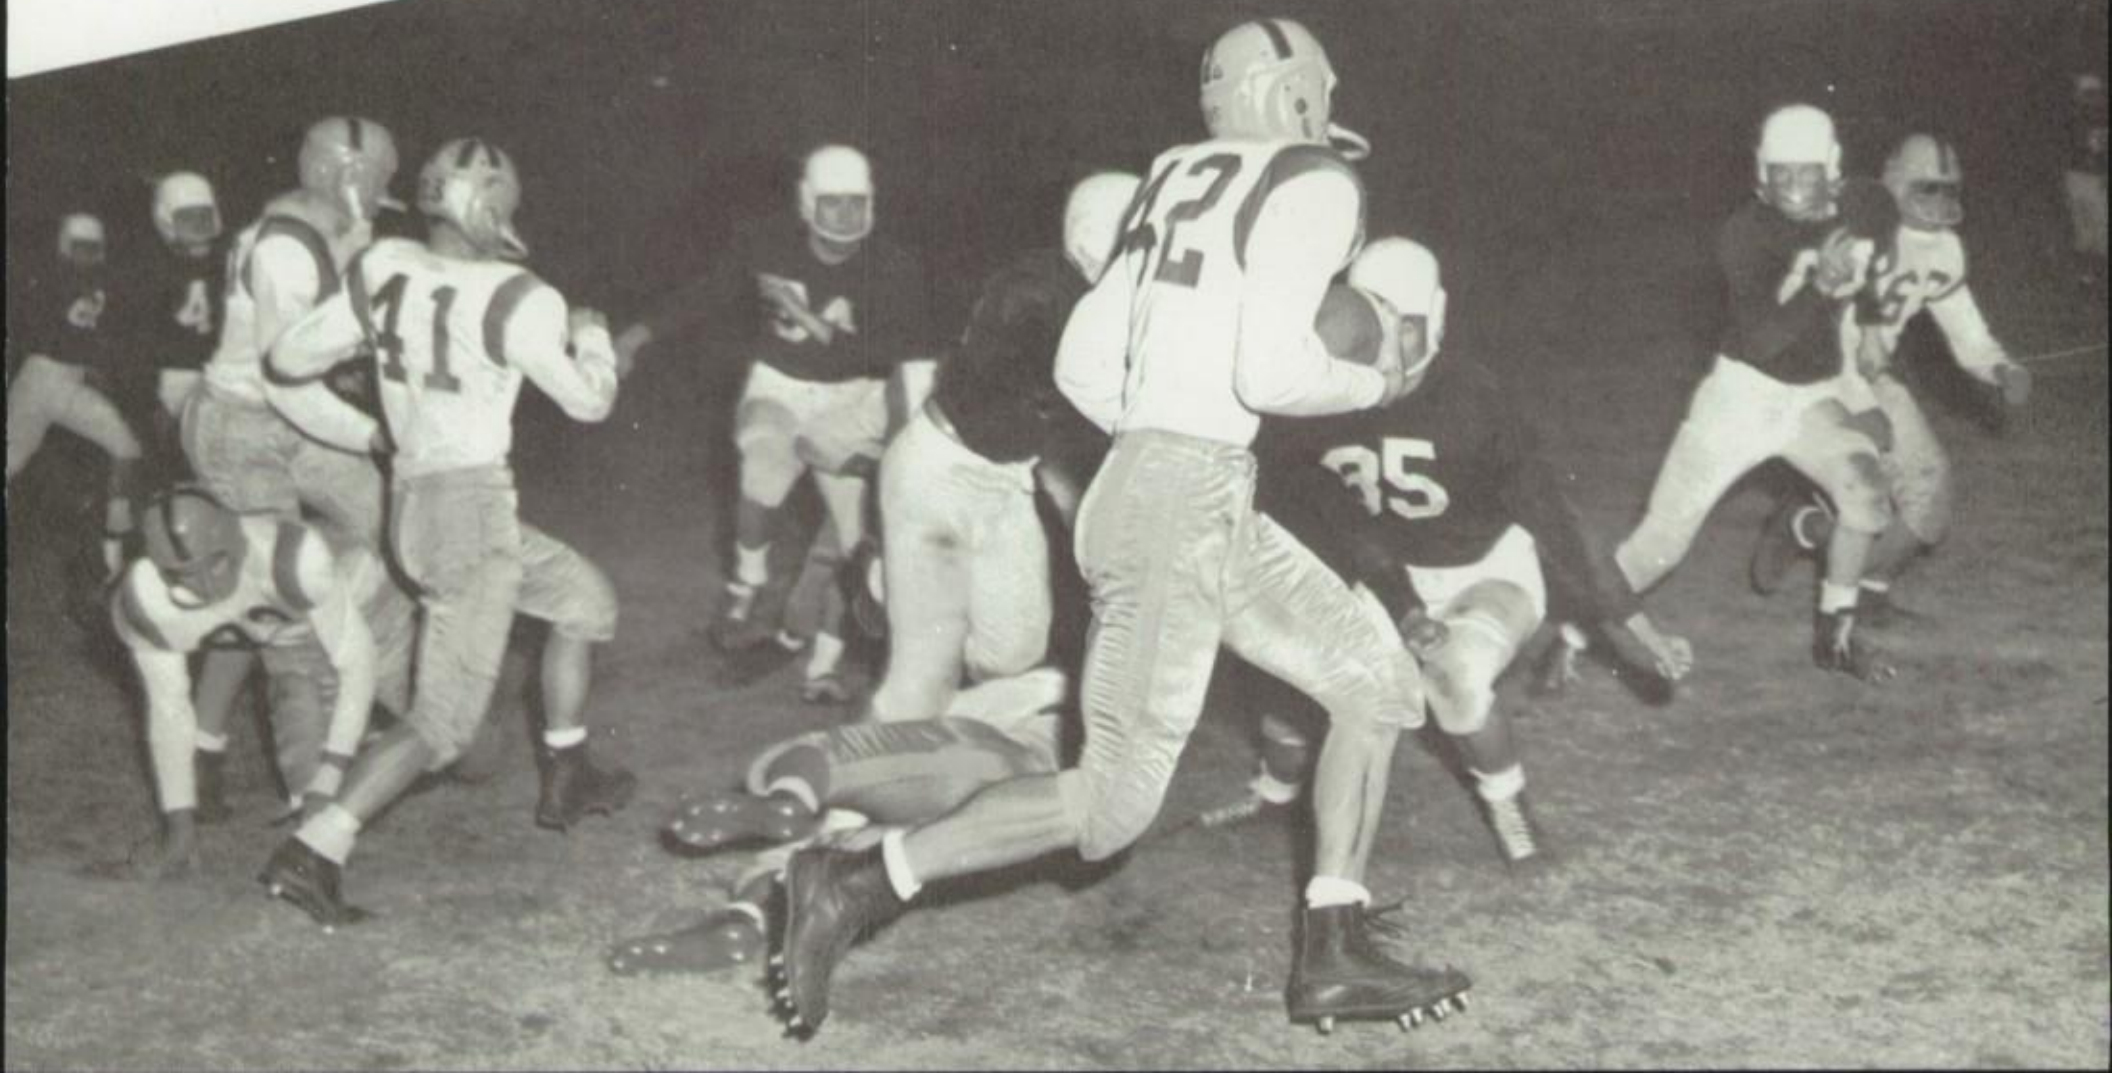

To Our Championship Team, Their Coaches, and the

ATION

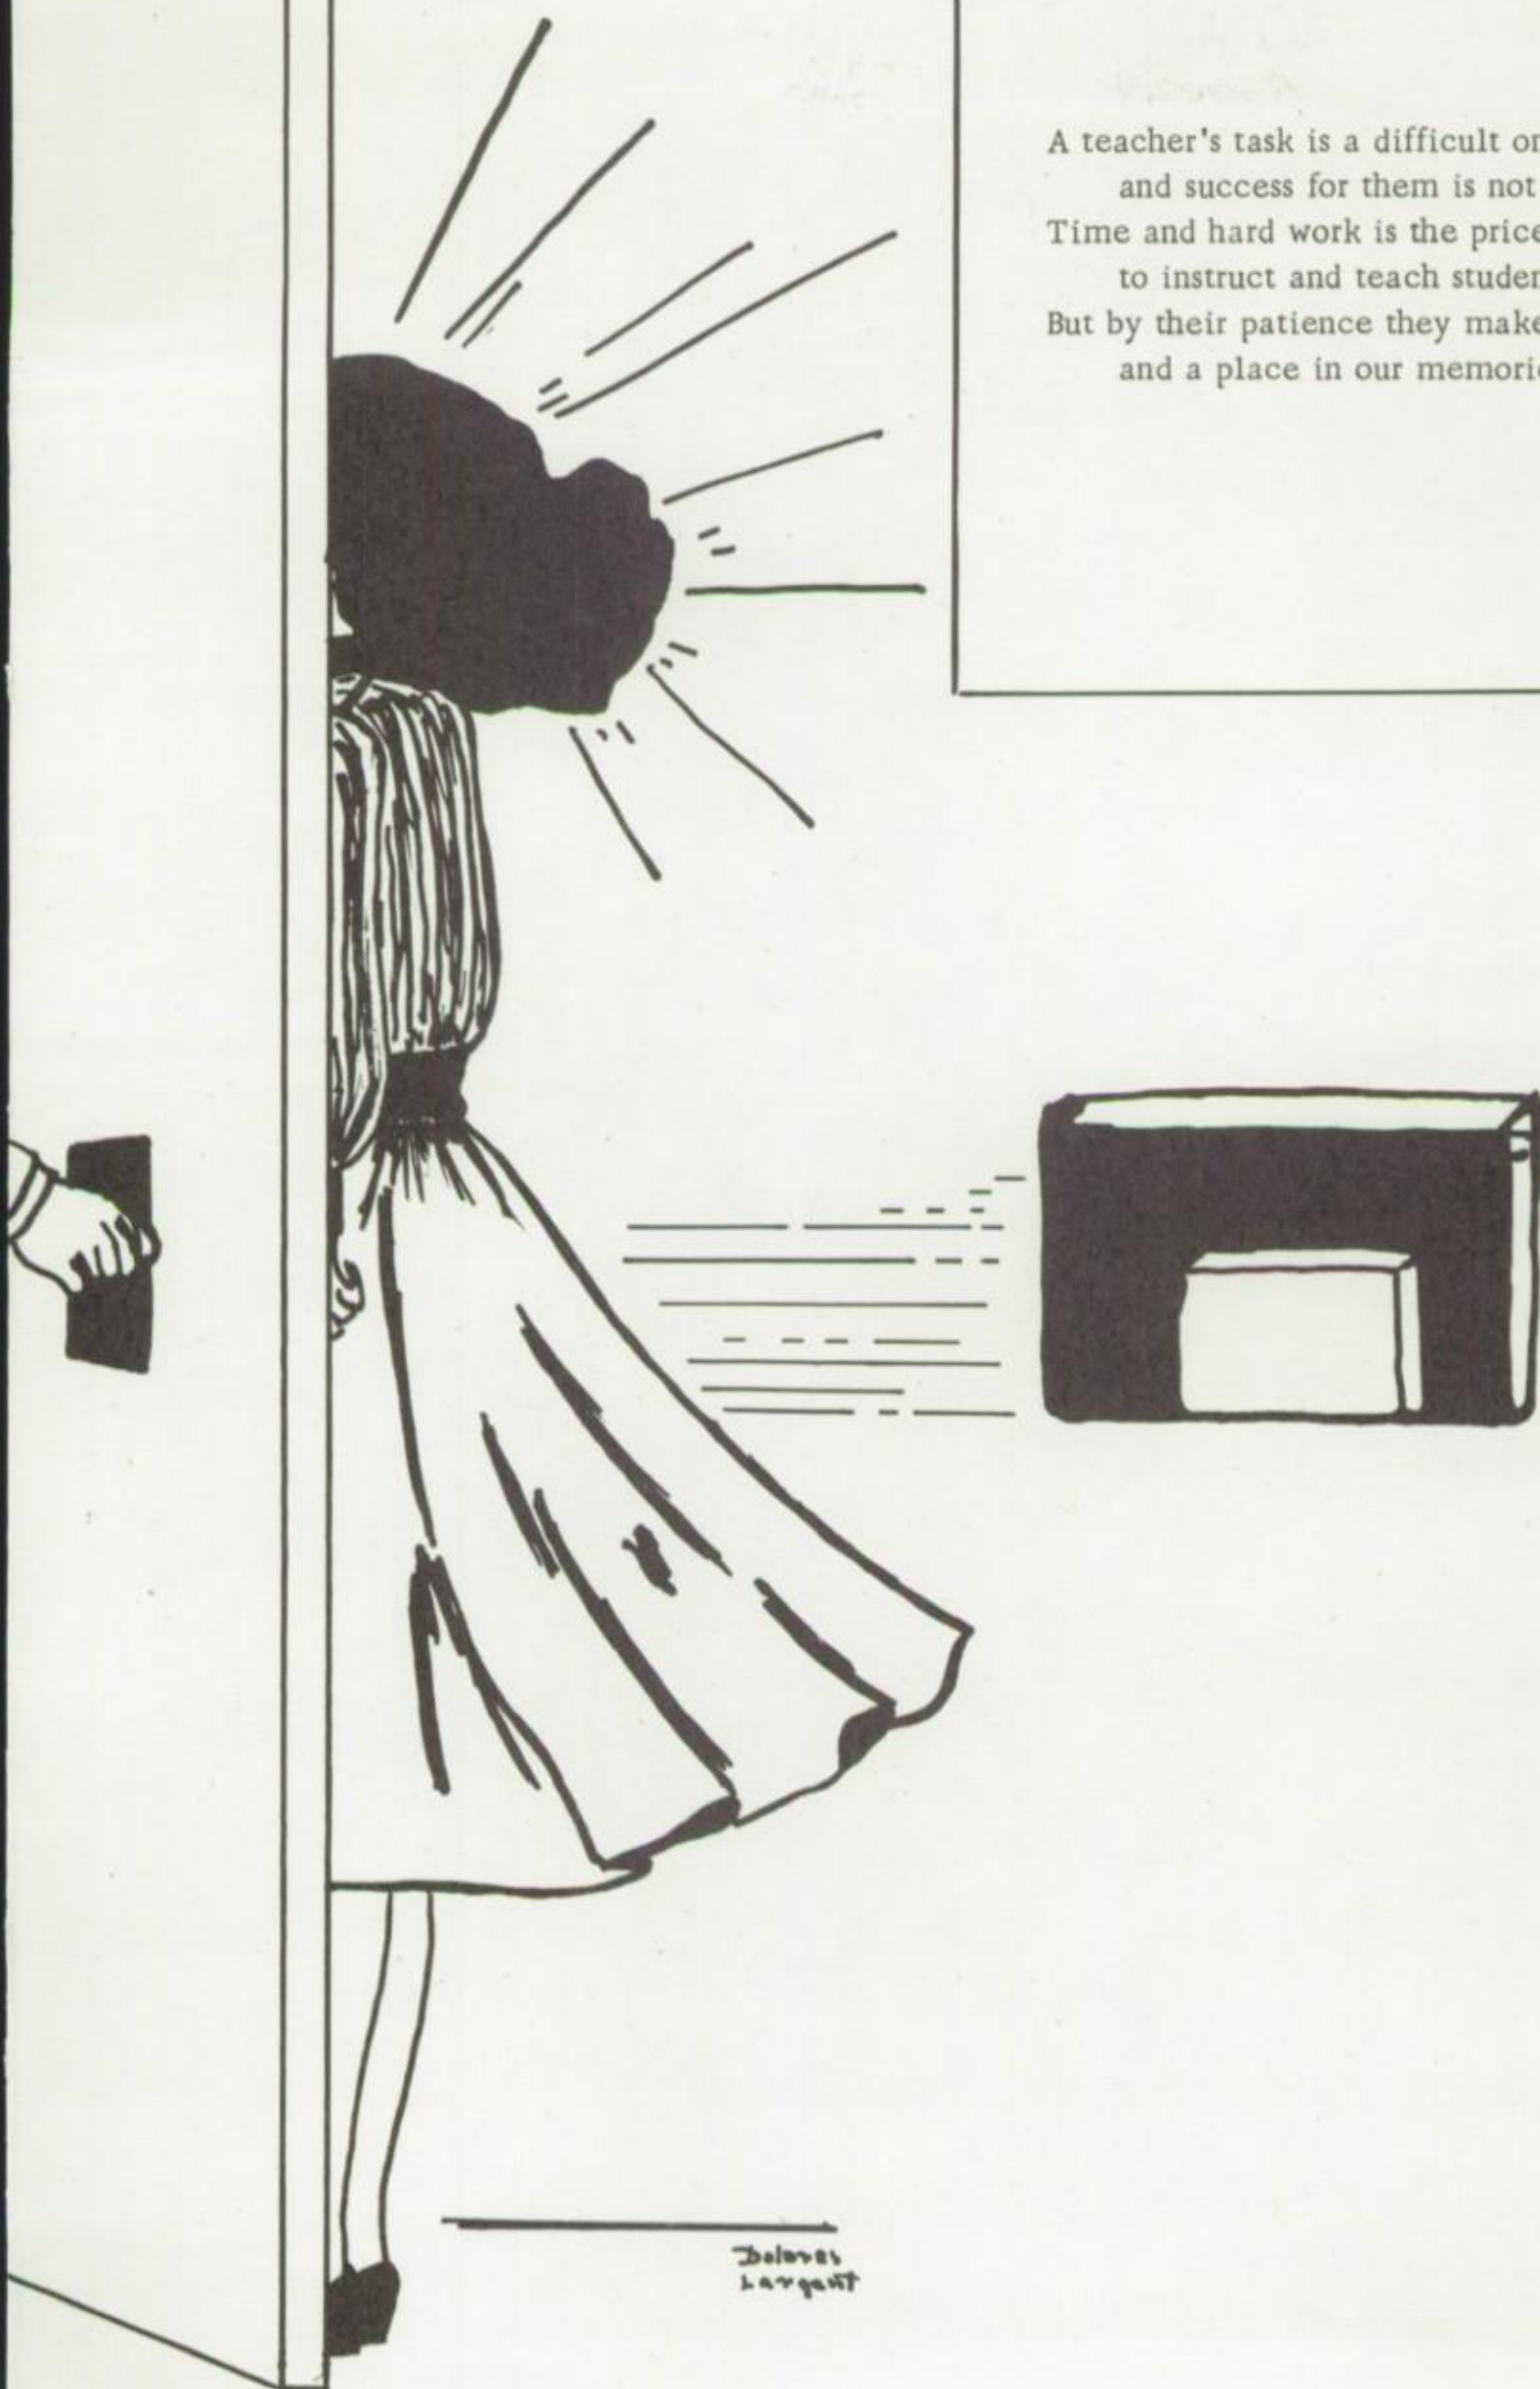

Student Body—Whose Great Spirit Led Them to Victory.

FACULTY

A teacher's task is a difficult one
and success for them is not easily won,
Time and hard work is the price they pay
to instruct and teach students day by day.
But by their patience they make us learn
and a place in our memories they nobly earn.

Board of Trustees

In the American scheme of things, the schools are controlled locally. Each community calls upon a few of its citizens each year to serve - without pay - as trustees.

Turlock High School is fortunate that the five men pictured here now are giving selfless, successful devotion to the interests of the school and community.

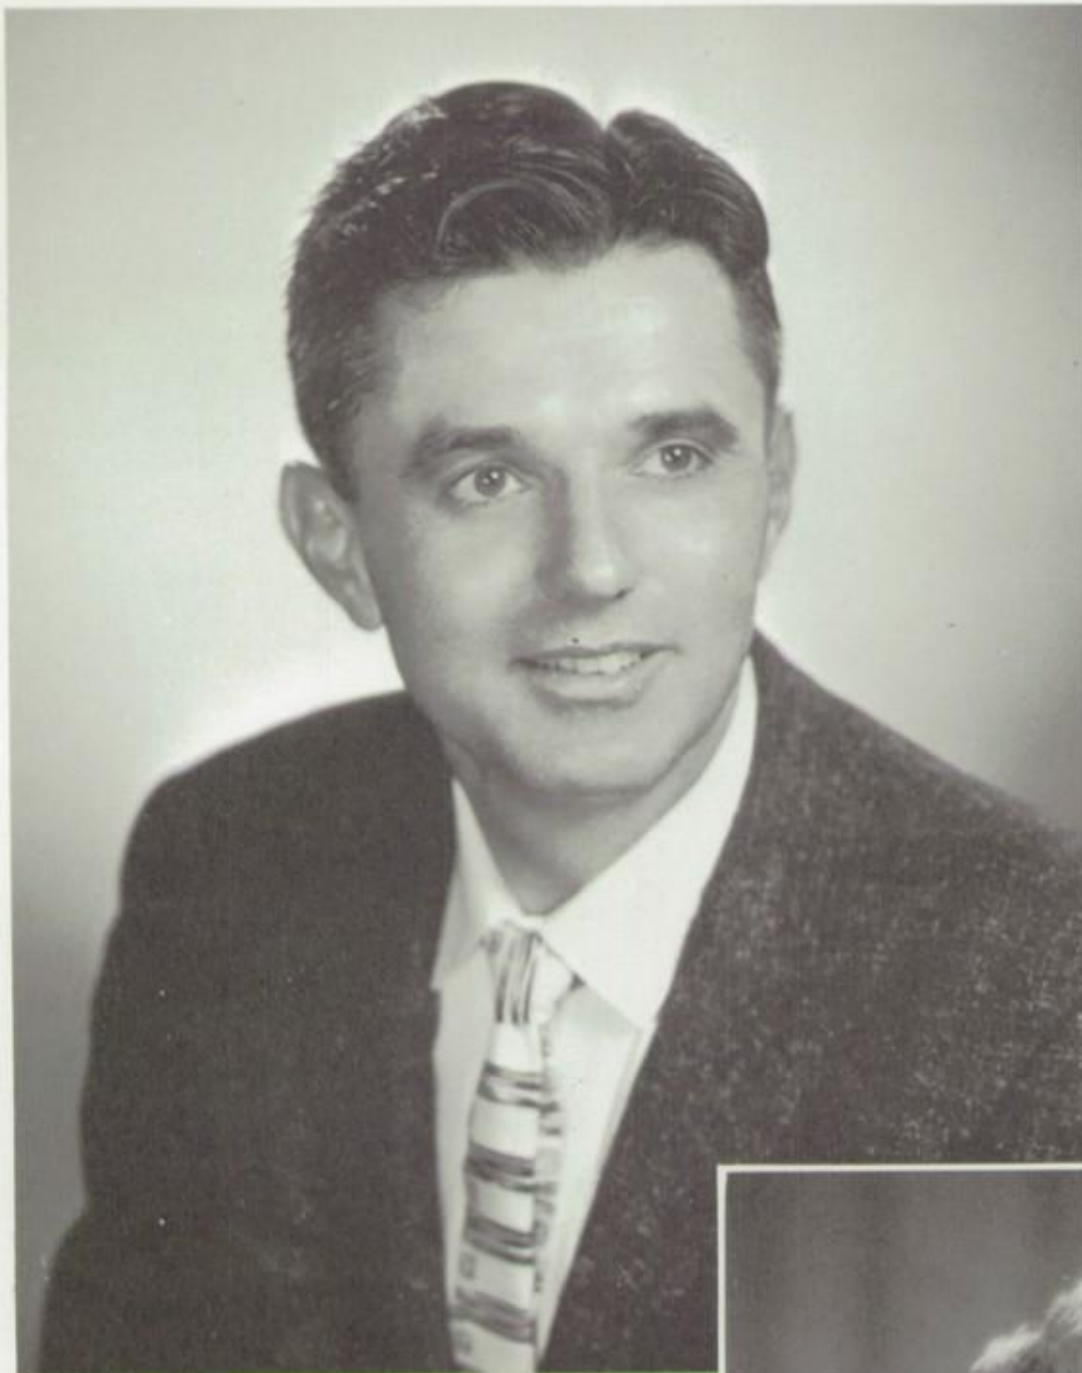

Mr. Carroll Adams, Mr. Kenneth Monteith, Mr. Henry Weiss, Mr. John Swenson, Chairman; Mr. Ted Brown.

Dean of Boys

George Marks

Mr. Marks has, this year as formerly, busied himself with four positions: Vice Principal, Dean of Boys, Registrar, and Director of Student Activities.

As far as it is humanly possible, Mr. Marks tirelessly strives to divide his time and energies so that student welfare and enthusiasm at Turlock High School remain at a high level.

Dean of Girls

Esther Thorsen

This year, Miss Thorsen took on the responsibilities and duties of Dean of Girls, a position relinquished for a year by Miss Manha, who taught in England.

Miss Thorsen met her obligations capably; her understanding and wisdom have contributed much to the success of the school year.

Student Body President

Much of high school life will be forgotten as we strive for goals of the future. Yet the personal and technical knowledge we have gained will always be with us, aiding our judgement and determining our lives. We must be thankful for the opportunities we have been given to better ourselves these past few years. Our Student Body has been successful because we students have worked, taken advantage of opportunity, and therefore contributed to our school's spirit, reputation, and welfare. Serving as Student Body President the past year has been a valued privilege.

Executive Council

Student government at Turlock High School is chiefly the responsibility of the Executive Council. This year's Student Body Officers--Richard Larson, Dale Vollrath, Linda Carr, Maxine Kane, Berma Davenport, and Marjie Richards--successfully led the Council in a year of achievement and progress.

Under the able chairmanship of Dale Vollrath, the group has helped build school spirit, form a concession schedule for all football and basketball games, and plan the sponsorship of All-School Dances.

STANDING: Gene Lobo, Jerry Highfill, Wayne Read, Linda Hardin, Clare Carlson, Peggy Huffman, Linda St. Louis, Dick Gearhart, and Charles Crivelli. SEATED: Mike Kirkes, Rudy Hernandez, Elaine Vierra, Liane Husby, Bonnie Young, Dale Vollrath, Janet Kirby, Mary Gail Matthews, Kathy Markley, and Cynthia Nunes.

Girls' League

While most things are done co-educationally here at Turlock High School, the girls get together (without boys) in mass meetings occasionally. This is one of the purposes of Girls' League.

The organization sponsored a coke party for the freshmen, a Chocolate Hour, an assembly, and a fashion show this year.

Toni Hatch, Vice President; Margie Brown, Secretary; Linda Hardin, President; and Sandi Dill, Treasurer.

Boys' Federation

Paul Myers presided over the Boys' Federation this year. James Little was vice-president, and Larry Barnes served as secretary-treasurer. All boys in the school belong to the federation. This group is available to aid any other school Club or activity at any time.

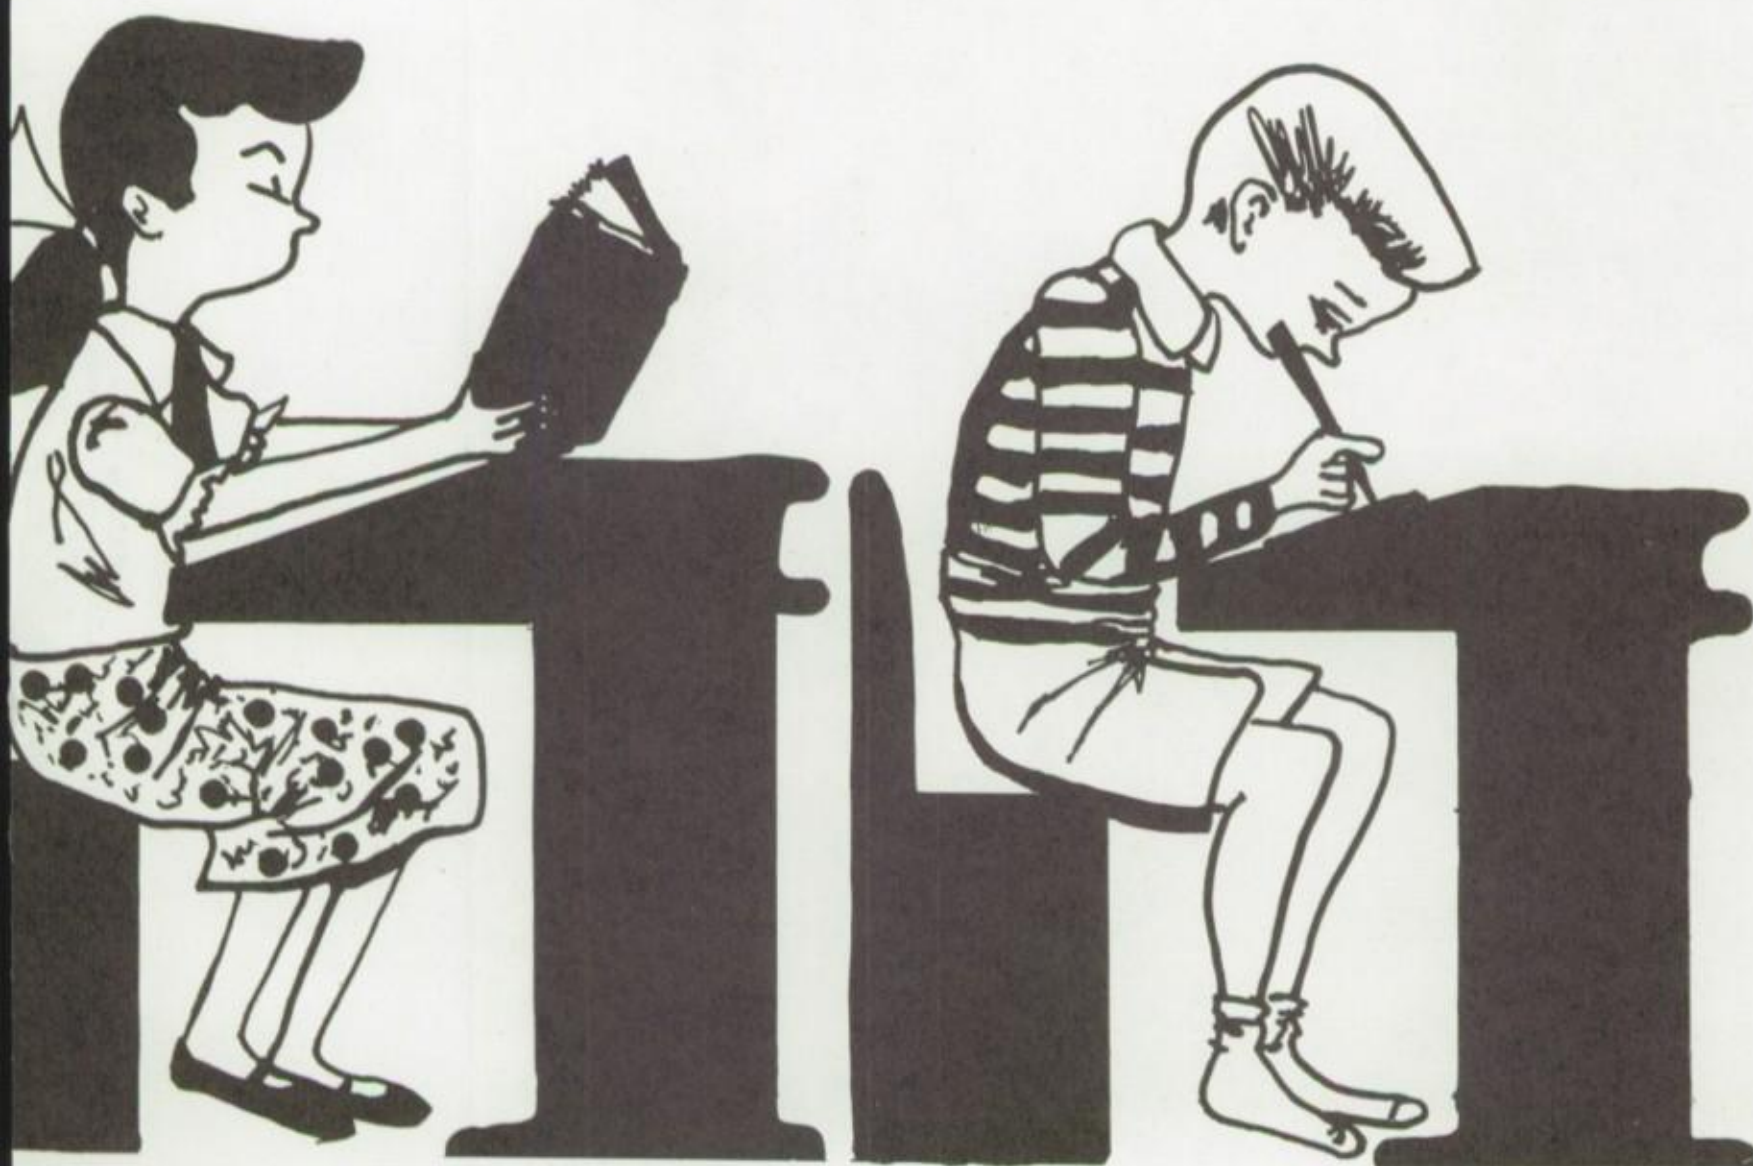

James Little, Paul Myers, and Larry Barnes

CLASSES

Our students are schooled in classroom sessions
With teachers, textbooks, and often discussions
We strive to learn at a continuous pace,
But friendship, as usual, finds its place;
And between school gatherings and outside dates,
Our memories are tied to our classmates.

ACTIVITIES

There must be time for amusement and fun
when our school work and studies are done,
The plays, rallies, and dances our students present
are planned to provide us with entertainment.
These enjoyable activities at Turlock High
will surely be remembered, as years pass by.

Alert

This year's ALERT staff has worked extremely hard to present you with a better and bigger yearbook. New to their jobs, staff members worked together planning layouts, taking pictures, writing copy, and meeting deadlines. We trust that our efforts were not in vain and that the 1958 ALERT is one to be remembered.

Clarion

The CLARION staff this year has worked very hard to meet all their deadlines and to make a more interesting paper for the Student Body to read.

Something new has been added this year, a club reporter. Each club has a reporter to inform the paper of the club's activity. This has resulted in better coverage for the varied activities of the school.

SITTING: Richard Jerome, Wayne Read, Jo Ann Shubin, Elaine Frost, Fern Reed, Jim Crow, Myrl Motsinger, Larry Barnes. STANDING: Toni Lowe, Loretta Carlson, Cleates Anderson, Janice Larson, Terri Nyquist, Charles Tamraz, Stan Swanson, Lloyd Hutz, George Roacha, Sargon Yonan.

Assembly

We can all agree that our Assembly Committee did a wonderful job this year. This year it was quite different because we had to have two assemblies each time since our student body has grown so large. Some of our assemblies were talent assemblies, and some were national assemblies. One of the most outstanding assemblies was put on by the C.S.F.

SITTING: Dick Gearhart, Marilyn Mowrer, Mrs. Morell, Judy Vickrey, Mrs. Sateren. STANDING: Mr. Johnson, Mr. Tyree, Mr. Olson, Mr. Lacampagne, Peter Thompson.

Rally

The success of each rally depends on the effort of the Rally Committee. The enthusiasm of the Song and Yell Leaders brought out the school spirit and helped lead our team to victory. Each person feels a certain responsibility that the success of the rally depends not only on them, but on their co-operation and planning with everyone on the committee. Our rallies have been huge successes this year, with students showing more spirit than previous years.

Sophomores

GAA, one of the very oldest clubs at Turlock High, is an organization for girls interested in athletics. The girls belonging to this club participate in playdays, leadership days, and Extra-Mural League meetings. This year the club also had a GAA dance, held a GAA Banquet, and helped sponsor an all-school dance. This club is a lot of fun for the girls, and it helps to promote better sportsmanship and improve leadership.

This club is the goal of the members of GAA. A girl must earn 1500 points by participating in sports activities and demonstrating outstanding ability before she is eligible to become a member.

This year the members aided in administering the polio shots, held a Tau Sigma Banquet and gave a special banquet for the members of our Championship football team.

Block "T"

Block "T" is the goal of boys who participate in athletic activities at Turlock High. In order to join a boy must earn a Varsity letter in any sport. Among the many services the club performs is patrolling the rallies to make sure everyone attends them. They also aided greatly in the new cleanup and citizenship campaign.

Block "T", along with offering a great deal of fun for its members, promotes good sportsmanship throughout the school.

Varsity

This year our varsity football team became the first champions of the newly formed Central California Conference. They finished the season with an undefeated record of ten straight victories. Due to this fine record, the San Francisco Examiner and the San Francisco Chronicle rated the Bulldogs second in Northern California.

The team was composed of two first strings. The coaches played the boys where they fitted best to form both a strong offensive and defensive platoon. This worked out very well as we developed a very strong running attack and our ground defense was excellent. The boys showed great drive, spirit, and determination by coming from behind in five games and succeeding in holding their opponents scoreless in four others.

Junior Varsity

The Turlock High School J.V.'s opened the 1957 season with a loss to Edison, 12-0. The team would not give up and in their next game they defeated Tracy by a score of 12-0. They then went on to beat both Manteca and our arch rival Modesto by scores of 6-0. Oakdale forfeited its game with Turlock and Turlock forfeited its game with Downey. The J.V.'s forfeit was due to the fact that our Varsity almost had the Championship within its grasp and many of the J.V.'s were needed for Varsity competition.

Bullpups

The Bullpups were coached by Dave Weise and Ezio Pedretti. This year the team had only one returning veteran, Nick Lucero, who was injured in the opening game of the season on the kickoff. However, the team showed fine spirit and a willingness to work and finished the season with a record of 5 wins and 4 losses. The squad had 16 boys with no previous experience. Potentially they have a very strong chance of finishing near the top of the league next year.

COACH VERN PITAU

"B" Reserves

The "B" Reserves, coached by Vern Pitau, finished the 1957 season with a record of 4 wins and 4 defeats. The reserves had a very rough season this year due to the Asiatic Flu and to a great many injurys. The team was forced to forfeit one game with Livingston because there were only 14 boys able to play ball and they had not practiced in nine days. The boys played their best game against Downey and although they met defeat, they had the ball in Downey territory more than four-fifths of the game. Over all the B-reserves contained a lot more material than their own record indicates and many of the boys will be a great aid to our Varsity and "B" teams of the future.

The Varsity Basketball Team had 7 returning veterans this year and some excellent graduates from last year's "B" Team. As this copy goes to press their league record is 1 win and 2 losses. The two losses were to Oakdale and Tracy by 2 and 3 points respectively. These games were both lost by bad breaks and the Bulldogs still have a fine chance of finishing high in the standings.

COACH DON GOLDSTEIN

The future looks bright for the Bullpups. They lost their first practice game with Livingston by a close margin, but in a return match they proved their superiority. Downey, Oakdale, and Tracy then fell to the Bullpups in league games. As this copy goes to press the Bullpups are on top in the junior division of the C.C.C. with a league record of 3-0.

BACK ROW: R. Pole, K. Dow, J. Gallison, D. Silva, T. Mooney, J. Hart, J. McClellan. FIRST ROW: A. Rocha, D. Kirby, M. Jensen, E. Christoffersen, G. Knutsen, G. Fredeen.

'B' Reserves

COACH VERN PITAU

This year the B - reserve team was composed of 13 players; but since there was no Junior Varsity squad, Coach Pitau was forced to divide this small group into two teams, a Freshman and a Freshman - Sophomore squad. The Freshman team finished the year with a 5 win - 4 loss record. The Frosh. - Soph. squad had a little rougher time as they were matched against bigger teams than are usually played by our B - reserves. They completed the season with a 2 - 7 record. Their best performance of the year seemed to be the Hughson game in which they defeated the Hughson B's by a score of 38 to 33. The boys and their coach deserve a lot of credit for the good ball they played this year.

Due to an early deadline the complete schedule of the Varsity and "B" Team scores was not printed on their respective pages.

Wrestling

The Bulldog varsity wrestling team shared the dual meet title for the C.C.C. with Modesto, both teams finishing the season with 9 and 1 records. Turlock lost early season meets to Livingston, Modesto, and Madera, but later the Bulldogs defeated all three teams in return matches. The strength of the team was its balance in all weight divisions. Turlock won the C.C.C. tournament by placing all twelve of their men. They overwhelmingly won the Sac - Joaquin Section Tournament and by doing so placed eleven men in the Northern California Tournament at Berkeley. At this tournament the Bulldogs placed seventh out of fifty-six schools. The Junior Varsity provided tough competition in all weights, and during the course of the year forty boys represented Turlock High School in tournaments or dual meets. The J.V.'s were undefeated during this season.

Varsity Baseball

The Varsity Baseball team will play an 18 game schedule in the new C.C.C. This is 4 games more than in the old league and will put a lot of pressure on the coach and players. The Bulldogs dropped their opening practice game against Livingston by a score of 5-3, and the return match was rained out. The boys have been showing a lot of hustle, and although their hitting is somewhat weak, they are strong in the defensive and pitching departments. With a few breaks and a lot of spirit and drive the Bulldogs should find themselves near the top in the C.C.C.

PITCHERS: Richard Balswick, Leroy Youngquist, Carl Hass, Dale Vollrath.

MANAGERS: Durelle Mayberry, David Murray, Dave Fox.

Bullpups

The "B" Baseball team is composed of Freshmen and Sophomores. In their first game of the season they battled Livingston to a 6-6 tie. The second Livingston game was called off because of rain. The "B's" begin their league play against Downey and face a rugged schedule for the rest of the year. All the experience they are able to gain this year will aid the boys greatly in their future years of baseball at T.H.S.

Varsity Track

COACH JOE DEBELY

This year's Varsity Track team is favored to place high in the C.C.C. standings. We have good depth in most events and the boys are showing excellent results for so early in the year. We are only 2 meets into the season and thus far Ron Osborne has tied the school record for the 220 yard dash at 21.6 seconds, and Jim Garner has run the 100 yard dash in 10.0 seconds which also ties a school record. The field events also gleam with accomplishments and if the boys continue to improve and perform as they have, Turlock may have another C.C.C. championship this year.

FIRST ROW: J. Garner, J. Harlan, A. Mares, P. Myers, D. Dow. SECOND ROW: H. Davenport, R. Osborne, M. Parker, L. Barnes, B. Tillner, B. Stiles.

FIRST ROW: F. See, L. Gomes, R. Rocha, J. Robinson, R. Sarhad, S. Martinez, R. Hernandez, D. McNab, E. Noda, S. Gregory. SECOND ROW: D. Silva, L. Keirn, A. Allen, A. DeBroeck, M. Parker, J. DeSalles, P. Gosselin, E. Infantino, J. Weise, G. Buzzini, J. Smith. THIRD ROW: L. Roberts, L. Rozario, N. Lucero, K. Crossman, D. Johnson, S. Lindscoog, N. Lindquist, B. Ostrom, T. D'Orazi, E. Hartvickson, J. Lindsey, M. Stammerjohan.

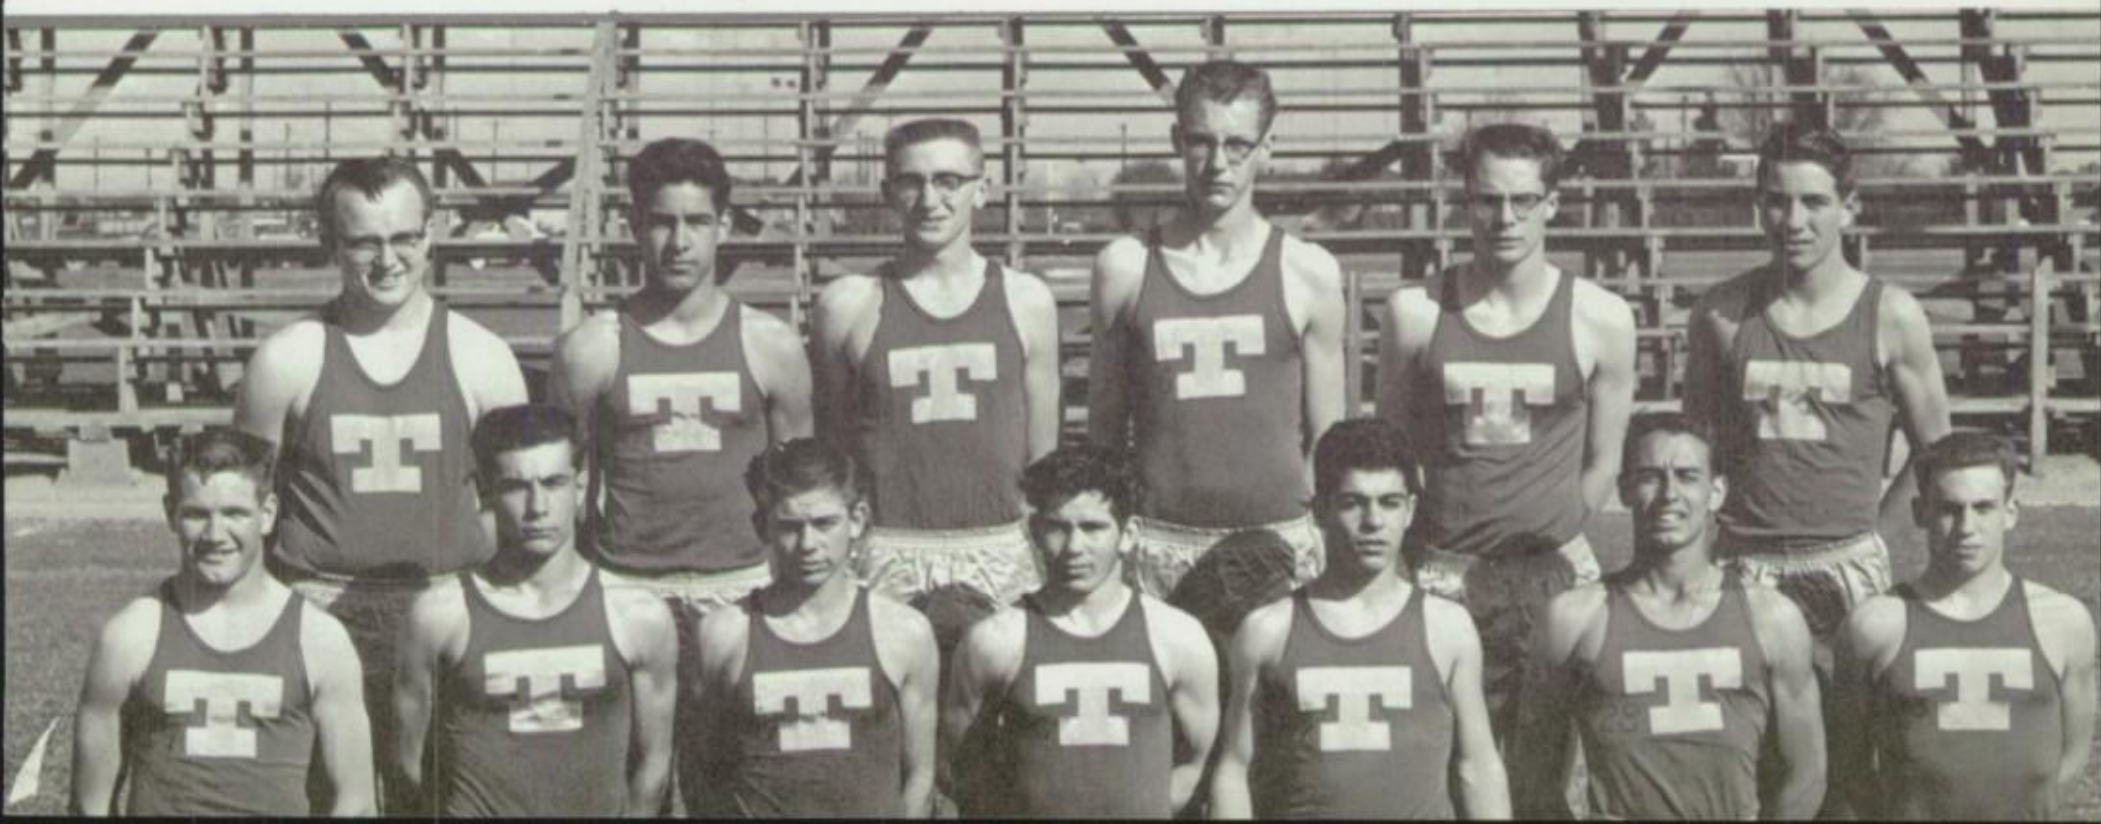

'B' Track

The 1958 season looks promising for the "B" Track team. Thus far the boys have defeated both Oakdale and Lodi by substantial scores. One of the outstanding early season accomplishments is a jump of 5' 8 1/2" in the "B" high jump by Ray Rocha. The boys also have been performing well in the other events and if they keep up the good work they may find themselves on the top of the league at the end of the season.

Tennis

This year the Tennis team is under the combined guidance of Coach Ratzlaff and Mr. Lacampagne. The team began the season by defeating Livingston by the score of 5 to 0, but in their second game they were shut out by a very good Patterson team. The squad has many more matches scheduled this year and the boys are working hard and are determined to come out with a good record.

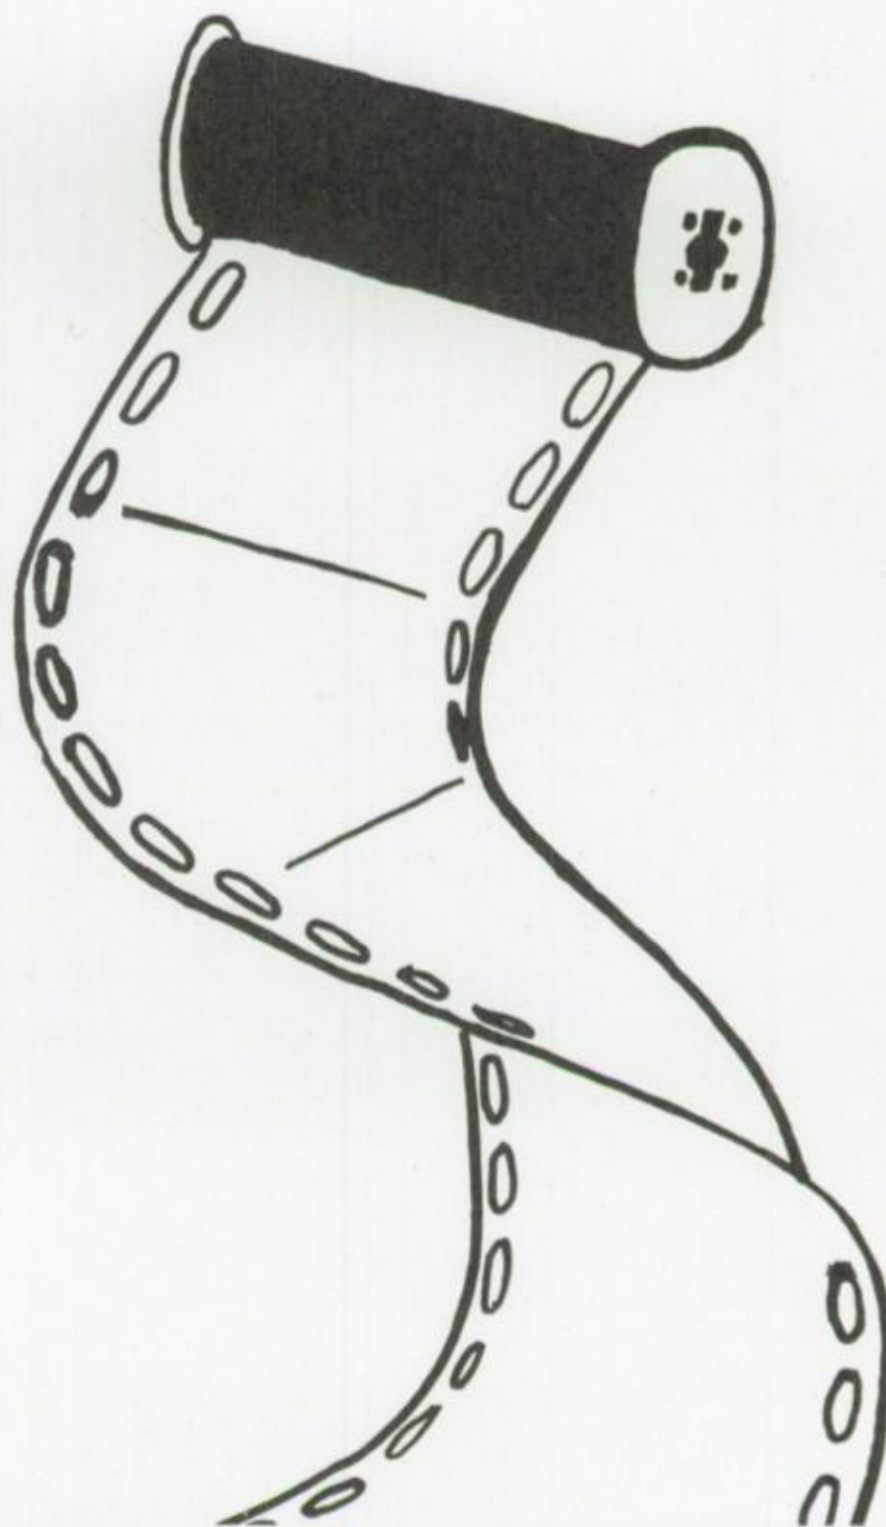

Golf

During the last two years our Golf team has brought two championships to T.H.S. The team this year has seven returning veterans and some promising newcomers. They began the season with a match against Lodi, whom they defeated by the score of 9 1/2 to 2 1/2. The future looks bright for this year's Golf team.

The merchants of Turlock are the best in the land,
they're friendly and helpful and always at hand.
They supply our community's every need and desire
with a service and quality we'll forever admire.
And along with these deeds, let's not overlook
the support they've so generously given our book.

A very important part of the yearbook is the section in which the ADVERTISEMENTS are featured. The support of Turlock area merchants advertising in the Alert determines the size of the book. Early in the school year, members of the Alert Staff went to many different businessmen in Turlock to obtain ads.

Later, Mr. and Mrs. Kermit Lindblom of Lindblom's Photo Studio worked with the students of the Alert Staff and the Alert Advisor, Mr. Pershing Olson, in capturing the true perspective of each business establishment. The friendly cooperation of the merchants helped tremendously and indeed reflects their fine ethics.

We extend our thanks to each and every one of the merchants who helped support the Alert.
